Description :

PDF-f9b6b | From whaling museums to National Geographic television specials to "tiki bars," the high seas have enchanted modern Americans as an adventurous frontier. And as contemporary explorers have discovered a new wilderness in the world's oceans, their depictions of the depths have influenced how we view these largely uncharted realms. America's Ocean Wilderness is a cultural history of America's explorat... *America's Ocean Wilderness: A Cultural History of Twentieth-Century Exploration*
