Description :

PDF-a990a | This text explores how the first inhabitants reached Australia over 50,000 years ago. Using archaeological evidence and aboriginal oral traditions, the book tells the history of these people. It examines the ways in which the Aborigines adapted to and modified their environment, and how their art and culture developed. This revised edition incorporates information on recent archaeological discoveries... *Archaeology of the Dreamtime: The Story of Prehistoric Australia and its People, Revised edition*
