Description :

PDF-acd17 | In the historical and literary imagination, the Balkans loom large as a somewhat frightening and ill-defined space, often seen negatively as a region of small and spiteful peoples, racked by racial and ethnic hatred, always ready to burst into violent conflict. The Balkans in World History re-defines this space in positive terms, taking as a starting point the cultural, historical, and social thre... *The Balkans in World History (New Oxford World History)*
