by Jim Fitzpatrick : **The bicycle and the bush: Man and machine in rural Australia**

ISBN : #0195542312 | Date : 1980

Description :

PDF-88392 | The Bicycle and the Bush looks at the bicycle's use in rural Australia from 1890-1920. It is one of the most unusual, innovative explorations ever undertaken into the role of a transport device and its relationship with a society and its environment. This book surveys the machine's introduction, manufacturing, sales and distribution in Australia, and its broader social impact upon urban socie... *The bicycle and the bush: Man and machine in rural Australia*
