Description :

PDF-ceb71 | A century ago, when Japan was transforming itself from an isolated feudal society into a modern nation, a Japanese educator queried about the ethos of his people composed this seminal work, which with his numerous other writings in English made him the best, known Japanese writer in the West during his lifetime. He found in Bushido, the Way of the Warrior, the sources of the virtues most admired by... *Bushido: The Soul of Japan (The Way of the Warrior Series)*
