Description :

PDF-5f08b | During World War II Australia was under threat of invasion. Could Australia be invaded by the Japanese? Even with the heavy censorship by the government many certainly thought so and the nation was gripped by fear that the danger would soon be on their doorstep. The Japanese appeared to be looming closer; there were submarines in Sydney Harbour, Japanese planes flying overhead and harassment on our... *A Carefree War: The Hidden History of Australian WWII Child Evacuees*
