Description :

PDF-9a01c | The Christchurch earthquake of February 22, 2011 was one of the worst natural disasters in New Zealand's history. The quake devastated New Zealand's second biggest city and caused significant damage to infrastructure both within Christchurch itself and its immediate surrounds. Taken by Police forensic photographers, this book documents the response to the earthquake. They had long-term access to a... *Christchurch 22.2: Beyond the Cordon*
