Description :

PDF-2c476 | Fort Drum on El Fraile Island in the Philippines is unique in the development of United States coastal fortifications. Fort Drum is part of a chain of forts built across the entrance of Manila Bay to defend the Bay from naval attack. The construction of Fort Drum began in 1909 by reducing tiny El Fraile Island to the low water mark. Over the next ten years a multi-deck concrete island was built to... *The Concrete Battleship: Fort Drum, El Fraile Island, Manila Bay*
