Description :

PDF-d20c6 | In nineteenth-century Australia, the main commentators on race and biological differences were doctors. But the medical profession entertained serious anxieties about the possibility of "racial denigration" of the white population in the new land, and medical and social scientists violated ethics and principles in pursuit of a more homogenized Australia. The Cultivation of Whiteness examines the n... *The Cultivation Of Whiteness: Science, Health, And Racial Destiny In Australia*
