Description :

PDF-0b3b3 | Across most of the world, an entire generation has lived free from the specter of polio, but, for 50 years during the 20th century, that fear was overwhelming. Polio rapidly became every parent's worst nightmare. Epidemics arrived silently, often with symptoms that could easily be mistaken for a common cold, and dreadful suddenness. Those who were fortunate enough to survive infection often faced ... *Dancing in My Dreams: Confronting the Spectre of Polio (Biography)*
