Description :

PDF-16661 | Since September 11, 2001, America has been at war. And that's about all anyone can say with certainty about a conflict that has cost 7,000 American lives and almost \$2 trillion. As long as the most basic strategic questions—Who is the enemy? Why are we fighting?—remain unanswered, victory is impossible. Yet this war is eminently winnable if we remove our ideological blinders, accurately na... *Defeating Jihad: The Winnable War*
