Description :

PDF-51804 | There was probably no more visible symbol of the Marianas than the Palacio, the residence and office of the governor and the seat of his authority. The residence, like the colony itself, had beginnings in the barracks of the military compound before it took on distinctive features and eventually achieved prominence in the capital of Agaña. The Jesuit mission established a foothold near the beach... *El Palacio: The Spanish Palace in Agaña, 1668-1898*
