Description :

PDF-8399c | In the past decade the Asia-Pacific region has become a focus of international politics and military strategies. Due to China's rising economic and military strength, North Korea's nuclear tests and missile launches, tense international disputes over small island groups in the seas around Asia, and the United States pivoting a majority of its military forces to the region, the islands of the w... *The Empires' Edge: Militarization, Resistance, and Transcending Hegemony in the Pacific (Geographies of Justice and Social Transformation Ser.)*
