Description :

PDF-28a90 | From the former New York Times Asia correspondent and author of China's Second Continent, an incisive investigation of China's ideological development as it becomes an ever more aggressive player in regional and global diplomacy. For many years after its reform and opening in 1978, China maintained an attitude of false modesty about its ambitions. That role, reports Howard French, has been set asi... *Everything Under the Heavens: How the Past Helps Shape China's Push for Global Power*
