Description :

PDF-a251b | Everything Australia wants to achieve as a country depends on its capacity to understand the world outside and to respond effectively to it. In *Fear of Abandonment*, expert and insider Allan Gyngell tells the story of how Australia has shaped the world and been shaped by it since it established an independent foreign policy during the dangerous days of 1942. Gyngell argues that the fear of being a... *Fear of Abandonment: Australia in the World since 1942*
