Description :

PDF-61c6d | A biography of unprecedented expedition under sail

The role of the sailor through history should never be underestimated. Over centuries battles were won and new lands discovered and settled by their skills and nerve. Rob Mundle is back on the ocean to tell one of the great stories of an expedition under sail: the extraordinary eight-month, 17-000-nautical mile voyage of the First Fleet. With cust... *The First Fleet*
