Description :

PDF-03b14 | The epic story of Australia's Aboriginal people, as told through astonishing archaeological discoveries, ancient oral histories, and the largest and oldest art galleries on earth Some 60,000 years ago, a small group of people landed on Australia's northern coast. They were the first oceanic mariners, and this great southern land was their new home. Gigantic mammals roamed the plains and enormous c... *First Footprints: The Epic Story of the First Australians*
