Description :

PDF-e96cb | The war that was fought between the United States and Mexico from 1846 to 1848 was a major event in the history of both countries: it cost Mexico half of its national territory, opened western North America to U.S. expansion, and brought to the surface a host of tensions that led to devastating civil wars in both countries. Among generations of Latin Americans, it helped to cement the image of the... *A Glorious Defeat: Mexico and Its War with the United States*
