Description :

PDF-14c11 | This is the story of how America's first women soldiers helped win World War I, earned the vote, and fought the U.S. Army. In 1918, the U.S. Army Signal Corps sent 223 women to France. They were masters of the latest technology: the telephone switchboard. General John Pershing, commander of the American Expeditionary Forces, demanded female "wire experts" when he discovered that inexperience... *The Hello Girls: America's First Women Soldiers*
