Description :

PDF-ac936 | Charles Holcombe begins by asking the question 'what is East Asia?' In the modern age, many of the features that made the region - now defined as including China, Japan, Korea and Vietnam - distinct have been submerged by the effects of revolution, politics or globalization. Yet, as an ancient civilization, the region had both an historical and cultural coherence. This shared past is at the heart ... *A History of East Asia: From the Origins of Civilization to the Twenty-First Century*
