Description :

PDF-ef9e2 | The Indian Ocean remains the least studied of the world's geographic regions. Yet there have been major cultural exchanges across its waters and around its shores from the third millennium B.C.E. to the present day. Historian Edward A. Alpers explores the complex issues involved in cultural exchange in the Indian Ocean Rim region over the course of this long period of time by combining a historica... *The Indian Ocean in World History (New Oxford World History)*
