Description :

PDF-1f491 | Indians have been present in New Zealand for over a hundred years, yet few New Zealanders would know their story. Who were these people, where did they come from, and what role have they played in the making of Aotearoa as it is in the twenty-first century? This book seeks to provide some answers. The first gold discovered in Otago, which led to the rushes of the 1860s, was found by an Anglo-India... *Indian Settlers: A Story of a New Zealand South Asian Community*
