Description :

PDF-27e6e | Domestic and international development strategies often focus on private ownership as a crucial anchor for long-term investment; the security of property rights provides a foundation for capitalist expansion. In recent years, Thailand's policies have been hailed as a prime example of how granting formal land rights to poor farmers in low-income countries can result in economic benefits. But the co... *Land and Loyalty: Security and the Development of Property Rights in Thailand (Cornell Studies in Political Economy)*
