Description :

PDF-b4598 | Little more than seventy years after the British settled Van Diemen's Land (later Tasmania) in 1803, its indigenous population had been virtually wiped out. Yet this genocide – one of the earliest of the modern era – is virtually forgotten in Britain today. The Last Man is the first book specifically to explore the role of the British government and wider society in the destruction of the Abor... *The Last Man: A British Genocide in Tasmania*
