Description :

PDF-99d51 | Did every Baby Boomer achieve greatness in their life? No they didn't. Some just went along for the ride and achieved small things on a small scale and what a ride it was. From the baby boom in the late 40's, 50's and early 60's which was the catalyst for the dramatic changes to society over the next 50 years to changes to traditions, government focus, societal expectations, war and peace,...
