Description :

PDF-3ff95 | In 1963, the US Naval Communication Station at North West Cape in Western Australia became the first US defense facility to be established on Australian soil in peacetime. During America's Cold War struggle against communism, North West Cape's primary function was to communicate with the US fleet in the Indian and Western Pacific Oceans, especially nuclear missile submarines - the Navy's most powe... *A Little America in Western Australia: The US Naval Communication Station at North West Cape and the Founding of Exmouth (Uwa Scholarly)*
