Description :

PDF-e29c3 | Brian Castner served three tours of duty in the Middle East, two of them in Iraq as the head of an Explosive Ordnance Disposal unit. Whenever IEDs were discovered, he and his men would lead the way in either disarming the deadly devices or searching through rubble and remains for clues to the bomb-makers' identities. And when robots and other remote means failed, one technician would suit up and... *The Long Walk: A Story of War and the Life That Follows*
