Description :

PDF-06327 | In The Making of Australia, historian Robert Murray draws on a lifetime's fascination with Australian history, giving a clear, concise history of the country. From the coming of the first Aborigines perhaps 60,000 years ago, to the election of the Abbott government in 2013, Murray traces the forces that have shaped the nation. In Murray's mainly chronological account, the main periods and events i... *The Making of Australia: A Concise History*
