Description :

PDF-6e10f | In clear and compelling prose, Judith Shapiro relates the great, untold story of the devastating impact of Chinese politics on China's environment during the Mao years. Maoist China provides an example of extreme human interference in the natural world in an era in which human relationships were also unusually distorted. Under Mao, the traditional Chinese ideal of "harmony between heaven and human... *Mao's War Against Nature: Politics and the Environment in Revolutionary China (Studies in Environment and History)*
