Description :

PDF-1a073 | For many of their campfire tales, the aboriginal people of Australia looked to the skies, where they found a twinkling text of morals and stories within their own version of the zodiac. Today, the starry birds, fishes, and dancing men that provided a backdrop to life Down Under for thousands of years have found a new popularity beyond Australia. With this colorful collection of oral traditions, com... *Myths and Legends of the Australian Aborigines*
