Description :

PDF-2f9bd | One of the most important questions of human existence is what drives nations to war?especially massive, system-threatening war. Much military history focuses on the who, when, and where of war. In this riveting book, Dale C. Copeland brings attention to bear on why governments make decisions that lead to, sustain, and intensify conflicts. Copeland presents detailed historical narratives of sever... *The Origins of Major War (Cornell Studies in Security Affairs)*
