Description :

PDF-0a97a | The partition of India into two countries, India and Pakistan, caused one of the most massive human convulsions in history. Within the space of two months in 1947 more than twelve million people were displaced. A million died. More than seventy-five thousand women were abducted and raped. Countless children disappeared. Homes, villages, communities, families, and relationships were destroyed. Yet,... *The Other Side of Silence: Voices from the Partition of India*
