Description :

PDF-60a06 | Thirty years ago, China was emerging from one of the most traumatic periods in its history. The Chinese people had been ravaged by long years of domestic struggle, terrible famine and economic and political isolation. Today, China has the world's second largest economy and is a major player in global diplomacy. This volume, written by some of the leading experts in the field, tracks China's extrao... *The Politics of China: Sixty Years of The People's Republic of China*
