Description :

PDF-4a0e8 | The Polynesian navigator Kupe is credited with the discovery of the land his expedition named Aotearoa, country of the long white cloud. How did he and the many voyagers that followed find their way without modern navigational techniques through perilous seas in wooden canoes? By examining myth, star charts and contemporary Polynesian seafaring, Jeff Evans traces the methods by which the early exp... *Polynesian Navigation and the Discovery of New Zealand*
