Description :

PDF-35b13 | Did they come from space, from Egypt, from the Americas? From other ancient civilizations? These are some of today's most fanciful claims about the first settlers of the islands of the Pacific. But none of them correctly answer the question: Where did the Polynesians come from? This book is a thoughtful and devastating critique of such "new" learning, and a careful and accessible survey of modern ... *The Quest for Origins: Who First Discovered and Settled the Pacific Islands?*
