Description :

PDF-fb889 | Revolution 1989 is the first in-depth, authoritative account of a few months that changed the world. At the start of 1989, six European nations were Soviet vassal states. By year's end, they had all declared national independence and embarked on the road to democracy. How did it happen so quickly? Victor Sebestyen, who was on the scene as a reporter, draws on his firsthand knowledge of the events, ... *Revolution 1989: The Fall of the Soviet Empire*
