Description :

PDF-75db2 | The Second World War is one of the most significant conflicts in history, but for seven decades our understanding of the war has remained mostly fixed, framed by the accounts of participants and an early generation of historians. James Holland, one of the leading young historians of World War II, has spent over a decade conducting new research, interviewing survivors, and exploring archives that h... *The Rise of Germany, 1939-1941 (The War in the West)*
