Description :

PDF-9817a | Linking four continents over three centuries, *Selling Empire* demonstrates the centrality of India--both as an idea and a place--to the making of a global British imperial system. In the seventeenth century, Britain was economically, politically, and militarily weaker than India, but Britons increasingly made use of India's strengths to build their own empire in both America and Asia. Early English... *Selling Empire: India in the Making of Britain and America, 1600-1830 (Published by the Omohundro Institute of Early American History and Culture and the University of North Carolina Press)*
