Description :

PDF-1b058 | A sweeping and insightful grand strategic overview of the American Revolution, highlighting Washington's role in orchestrating victory and creating the US Army. Led by the Continental Congress, the Americans almost lost the war for independence because their military thinking was badly muddled. Following the victory in 1775 at Bunker Hill, patriot leaders were convinced that the key to victory was t... *The Strategy of Victory: How General George Washington Won the American Revolution*
