Description :

PDF-a0e86 | The Sword and the Shield is based on one of the most extraordinary intelligence coups of recent times: a secret archive of top-level KGB documents smuggled out of the Soviet Union which the FBI has described, after close examination, as the "most complete and extensive intelligence ever received from any source." Its presence in the West represents a catastrophic hemorrhage of the KGB's secrets an... *The Sword and the Shield: The Mitrokhin Archive and the Secret History of the KGB*
