Description :

PDF-8e89a | A century of the weapon that changed modern warfare. In 1916, for the very first time, the tank entered the military arsenals at a small engagement on the Somme. And despite its shortcomings, it altered the course of World War I. Tanks charts the weapon's first century, from its early stumbling attempts to the lethal killing machines of today: the technical developments, the various types and mo... *Tanks: 100 Years of Armoured Warfare*
