Description :

PDF-72ec0 | Flannery travels to the unexplored regions of New Guinea in search of species that science has yet to discover or classify. He finds many -- from a community of giant cave bats that were supposedly extinct to the elusive black-and-white tree-kangaroo -- and along the way has a wealth of unforgettable adventures. Flannery scales cliffs, descends into caverns, and cheats death, both from disease and... *Throwim' Way Leg: Tree-Kangaroos, Possums, and Penis Gourds*
