Description :

PDF-454e2 | In the course of the twentieth century, no war looms as profoundly transformative or as destructive as World War II. Its global scope and human toll reveal the true face of modern, industrialized warfare. Now, for the first time, we have a comprehensive, single-volume account of how and why this global conflict evolved as it did. A War To Be Won is a unique and powerful operational history of the ... *A War To Be Won: Fighting the Second World War*
