Description :

PDF-542e7 | In this provocative study, Paul Atwood attempts to show Americans that their history is one of constant wars of aggression and imperial expansion. In his long teaching career, Atwood has found that most students know virtually nothing about America's involvement in the wars of the 20th century, let alone those prior to World War I. *War and Empire* aims to correct this, clearly and persuasively explaining... *War and Empire: The American Way of Life*
