Description :

PDF-aa868 | Why do people go to war? Is it rooted in human nature or is it a late cultural invention? How does war relate to the other fundamental developments in the history of human civilization? And what of war today--is it a declining phenomenon or simply changing its shape? In this sweeping study of war and civilization, Azar Gat sets out to find definitive answers to these questions in an attempt to unr... *War in Human Civilization*
