Description :

PDF-230bc | Astonishing in its scope and erudition, this is the magnum opus that Niall Ferguson's numerous acclaimed works have been leading up to. In it, he grapples with perhaps the most challenging questions of modern history: Why was the twentieth century history's bloodiest by far? Why did unprecedented material progress go hand in hand with total war and genocide? His quest for new answers takes him fro... *The War of the World: Twentieth-Century Conflict and the Descent of the West*
