Description :

PDF-030c9 | In the nineteenth century, at the height of colonialism, the British ruled India under a government known as the Raj. British men and women left their homes and traveled to this mysterious, beautiful country—where they attempted to replicate their own society. In this fascinating portrait, Margaret MacMillan examines the hidden lives of the women who supported their husbands' conquests—and i... *Women of the Raj: The Mothers, Wives, and Daughters of the British Empire in India*
